wide open opportunity

Date: January 26, 2017
To: All Tentative Plat and Final Plat Applicants
From: Steve Abraham
Regarding: All Submittals of Plats

On February 28, 2017 the Planning Division of Community Development will no longer be accepting paper Plats. All Tentative and Final Plats must be submitted electronically. This will cut down on the amount of paper coming through the Planning Department.

Failure to follow these procedures may result in delay of your subdivision processing.
