

Need Benefits Backup?

Let Your Partner Know About ALEX®

ALEX is an easy-to-use online tool that you, your partner, or anyone else who helps with benefits decisions can access from any computer, tablet, or smartphone. It provides personalized, confidential guidance on your benefit options, and always shows the best-fit plans for the way your family uses its insurance.

Share your benefits options with your partner at <https://www.myalex.com/Pinal-County-Government/2019>
